RE: BISHOP BEAUDRY CONSTRUCTION, LLC

To Whom It May Concern:

We contracted with Bishop Beaudry for an elevator installation and space renovation project and were very satisfied with the work performed.

Bishop Beaudry performed all aspects of the job as specified; there were no issues with work being completed timely; they were very organized; and always cleaned up at each day's end.

Bishop Beaudry and their crew were very professional, accommodating and easy to work with daily. We would certainly recommend them to anyone interested in securing their professional services.

Respectfully,

Amos J. Bastiani
Commissioner
